NUI Galway
OÉ Gaillimh

NEW for 2016

Bachelor of Corporate Law (GY250)

NUI Galway's new four-year degree programme allows students interested in law and business to study a wide range of legal and business subjects. Students can also study a language (Legal German, Legal French, Spanish or Italian) and spend year 3 studying abroad, graduating with a Bachelor of Corporate Law International degree with the chosen language, for example Bachelor of Corporate Law International (Legal French). Students not taking a language may also spend year 3 studying abroad graduating with a Bachelor of Corporate Law International degree. This is an accredited degree which allows students to take all the law subjects required for entry to the Law Society of Ireland, Blackhall Place and The Honourable Society King's Inns to become a solicitor or barrister therefore, students no longer need to do the one-year LLB programme. A limited number of clinical work placements and summer internships are available.

NUI Galway Law Society
The student Law Society is one of the oldest and largest societies on campus. They organise guest speakers, workshops and the annual Law Ball.

Staff and students at the Moot Court competition.

Galway City
Galway is one of the fastest growing cities in Europe and is big enough to have everything you need, but small enough to get to know people easily. Galway really is 'a university city'– the campus is in the heart of the city centre, with all amenities within walking distance. The cost of living in Galway is significantly lower than other university cities, making your move to Galway that bit easier or, if you are from Galway, another great reason to stay.

Rent prices are **41.43%** cheaper in Galway than in Dublin

Grocery prices are **7.281%** cheaper in Galway than in Dublin

Restaurant prices are **15.31%** cheaper in Galway than in Dublin

Consumer prices are **11.20%** cheaper in Galway than in Dublin

Employment & Career Opportunities
BCorp Law students are prepared for a career as a corporate lawyer, in management, administration, and similar fields and in law-related positions in banking, insurance or other corporations. Students may also continue their studies to become a solicitor or barrister.
