

PRACTICAL INFORMATION

Venue:

I3A - Aragón Institute of Engineering Research
Río Ebro Campus - C/ Mariano Esquillor s/n
50018 Zaragoza, Spain

Room: Conference hall of the R&D building
(block 1, 1st floor)

The I3A and the Río Ebro Campus are located at 15 minutes by taxi from either the Airport of Zaragoza or the railway station (Delicias Station).

How to reach Zaragoza:

Coming by train (AVE - high speed train)

website: <http://www.renfe.com>

(We are working on getting discounts for tickets for attending to the meeting)

Main lines

- Madrid - Zaragoza: 80 minutes
- Barcelona - Zaragoza: 90 minutes

Coming by plane

Zaragoza airport

<http://www.zaragoza-airport.com/es/index.php>

Only 15 minutes by taxi to downtown

There is also a shuttle bus to and from the centre of Zaragoza.

Accommodation:

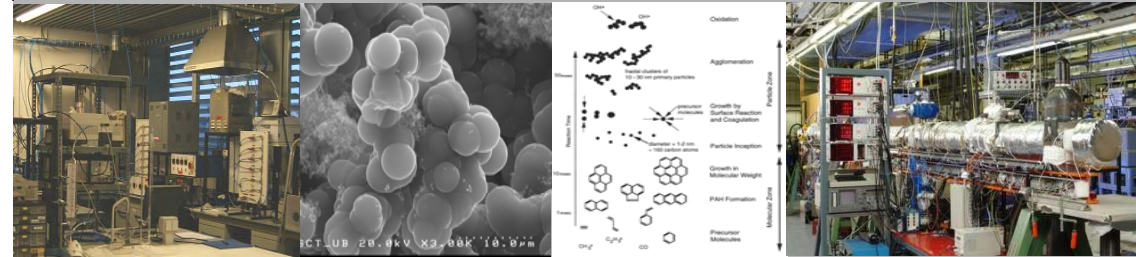

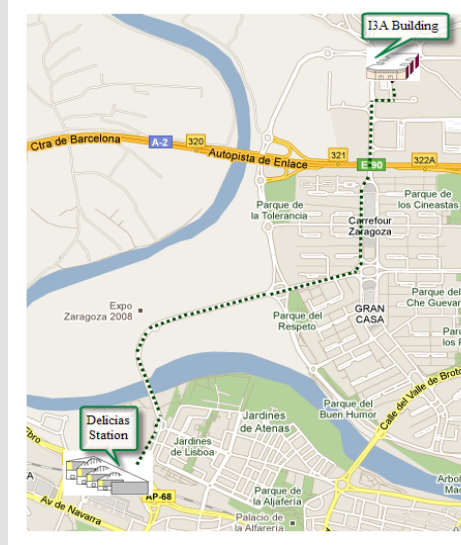

To organise your stay in Zaragoza, you may contact the travel agency

“Viajes Male”, (att. Ana)

Phone: +34 976 138 140

Fax: +34 976 138 141

E-mail: ana@viajesmale.com

EUROPEAN COOPERATION
IN SCIENCE AND TECHNOLOGY

CM0901—Detailed Chemical Models for Cleaner Combustion

2nd Annual Meeting

7, 8 & 9 September 2011
I3A, Zaragoza-Spain

Working Groups Meeting
from September 7th to September 9th

Young Researchers Workshop
From September 7th to September 9th

**Advisory Committees Meeting &
Management Committee Meeting**
September 9th, afternoon

Universidad Zaragoza

GPT
Thermo-Chemical
Processes Group
Instituto de Investigación
en Ingeniería de Aragón
Universidad de Zaragoza

**Instituto Universitario de Investigación
en Ingeniería de Aragón**
Universidad Zaragoza

Universidad Zaragoza

PRELIMINARY PROGRAMME

Wednesday, September 7th

8:30-13:00 h	Registration
9:00-10:40 h	WG1 oral presentations: Enlargement of the range of families of initial reactants for which well-validated detailed combustion models are available
10:40-12:00 h	<i>Poster session and coffee break (at the same place)</i>
12:00-13:00 h	Plenary talk (to be confirmed)
13:00-15:00 h	<i>Lunch</i>
15:00-16:15 h	WG2 oral presentations: Writing models of the formation and consumption of oxygenated pollutants
16:15-16:45 h	<i>Coffee break and poster session (at the same place)</i>
16:45-17:55 h	WG2 oral presentations
18:00 h	<i>Tourism in Zaragoza</i>

Thursday, September 8th

9:00-10:00 h	Plenary talk by Prof. Hai Wang (Univ. Southern California).
10:10-11:10 h	WG3 oral presentations: Improvement of the models for formation of polyaromatic compounds and soot
11:10-12:00 h	<i>Poster session and coffee break (at the same place)</i>
12:00-13:25 h	WG3 oral presentations
13:30-14:45h	<i>Lunch</i>
14:45-16:15 h	WG4 oral presentations: Improvement of the methods for mechanism reduction uncertainty analysis
16:15-16:40 h	<i>Coffee break and poster session (at the same place)</i>
16:40-18:05 h	WG4 oral presentations
20:00 h	Meeting dinner

Friday, September 9th

9:30-11:00 h	WG5 oral presentations: Experimental and theoretical determination of thermochemical parameters and rate coefficients for elementary steps crucial for successful simulation, but for which important uncertainties remain
11:00-11:30h	<i>Coffee break and poster session (at the same place)</i>
11:30-12:40h	WG5 oral presentations
13:00-16:00 h	Management committee meeting + light buffet lunch in the same room

ABSTRACT SUBMISSION

An abstract of 2 pages is requested for all presentations, oral (15 minutes for each WG participant) or poster, in order to prepare the proceedings.

In addition to the abstract, a special issue of **Energy** will be dedicated to papers associated to this conference. We strongly encourage participants of all the WG to submit a full manuscript. Detailed informations will be soon available.

IMPORTANT DEADLINES

28th February 2011: Deadline for two-pages abstract

14th March 2011: Notification of accepted works as oral or poster contributions

3rd June 2011: Deadline for paper submissions to Energy, the special issue related to the conference

REGISTRATION

- by e-mail at cost@progepi.fr
- by fax at +33 3 83 17 50 86
- by mail to Progepi - 1, rue Grandville, 54001 Nancy, France

Registration includes the coffee breaks, the Thursday and Friday lunches, the tourism in Zaragoza, the Meeting dinner on Thursday and the Proceedings. Meals only provided to registered participants.

COSTS TAKEN IN CHARGE BY THE ACTION

Travel and subsistence

- participant to MC Meeting or WG Meeting: **up to 1000€**
- participant to Posters Workshop: **up to 200€**

No Meeting fees.

Meeting costs are taken in charge by I3A and University of Zaragoza.
