

INTRODUCTION

The 10th International Conference on Combustion and Energy Utilization (10th ICCEU) will be held on 4-8 May 2010 at the Mugla University in Turkey.

The ICCEU is the continuation of the formerly Asia-Pacific International Symposium on Combustion and Energy Utilization (APISCEU). The 9th conference was held in Beijing in November 2008, as well as the 1st (1990) and 2nd (1993) ones. The 3rd conference was held in Hong Kong in 1995, the 4th in Bangkok in 1997, the 5th in Shanghai in 1999, the 6th in Kuala Lumpur in 2002, the 7th in Hong Kong in 2004, and the 8th in Sochi, Russia in 2006.

The 10th ICCEU moves to Turkey, a transcontinental country between Asia and Europe, with large energy needs and development potential. We warmly welcome all combustion and energy science & technology specialists and friends to participate to this conference.

OBJECTIVES

Science, technology and friendship are the aims of ICCEU in order to provide a forum for discussion and exchange of scientific ideas and latest research achievements in the fields of combustion science & technology and energy utilization. ICCEU also provides an opportunity to promote friendship between all concerned colleagues. The plenary and special lectures given by internationally known scientists and engineers will introduce the latest progress and attractive prospects in the conference areas of interest

IMPORTANT DATES

Deadline for abstract submission: **November 15, 2009**
Notification of acceptance: **December 15, 2009**
Full paper submission: **March 1, 2010**

AREAS OF INTEREST

Combustion Fundamentals
Combustion Technologies
Combustion Diagnostics
Computational Combustion
Droplet and Spray Combustion
Combustion and Gasification of Solid Fuels
Pollutant Emissions and Control
CO₂ Capture and Storage
Clean Fuel Technologies
Clean Coal Technologies
Alternative Fuels (biofuels, hydrogen...)
Thermal Conversion of Solid Waste
Design of Combustion Systems
Internal Combustion Engines
Gas Turbine Combustion
Chemical Propulsion Technologies
Combustion in Domestic Systems
Fire Protection Technologies
Renewable Energy Systems
Energy Efficiency Improvement
Socio-Economics of Energy Systems
Social Acceptability of
New Energy Technologies

SUBMISSION OF ABSTRACTS

One page abstracts should be prepared in English, in MS Word Format, for submission to ICCEU2010, and sent to ICCEU2010@cnrs-orleans.fr

The abstract should clearly state the objectives of the paper and summarize the main results to be presented. Please include the title and topic area(s) of the paper, authors' names and affiliations, and the corresponding author email address.

Details for full paper submission will be given in the 2nd Announcement.

REGISTRATION FEE

The registration fee is 450 Euros for each regular participant, 250 Euros for students with valid ID and 150 Euros for accompanying persons.

The regular participant fee will be 600 Euros after February 1st 2010.

For all registered participant, this fee includes:

- * transport from airport to hotels and return
- * admission to all technical sessions; one copy of the full papers book
- * 3 lunches and coffee breaks at the conference site; welcome reception; conference dinner; farewell dinner; boat trip including lunch to the Kemerköy Lignite Power Plant (3x210 MW); Mugla City Tour.

CONFERENCE SITE

ICCEU 2010 will be hosted by the University of Mugla (<http://www.mu.edu.tr>). The closest airport is the Dalaman airport. Bodrum-Milas and Izmir airports can also be used. All airports are connected to Istanbul by several 1 hour flights. Flight details will be provided in the 2nd Announcement.

The main conference hotel will be the sea cost hotel Yücelen-Gökova in the small city of Akyaka (http://www.yucelen.com.tr/eng_otel/gokova.php). A 5 nights package for a total amount of about 150 Euros per person, including breakfast and dinner, is reserved. Transport from the hotel to the Mugla University is included in the registration fee.

Information on the hotel reservation details, other accommodation possibilities and the registration fee payment details will be given in the 2nd Announcement, which will also include post conference tour details (such as to Ephesus).
