

GalMac Laptops

Special Laptop Offers for all Students of National University of Ireland, Galway

"We are very excited about this new initiative in the College of Arts, Social Sciences and Celtic Studies; our students will be able to avail of a high performance computer, and the latest software, including

comprehensive support and warranties. We anticipate that this innovative development will enhance learning, teaching and assessment in the College, and in the University."

Dr. Tony Hall
Head of the School of Education
Vice-Dean for Learning and Assessment, College of Arts, Social Sciences and Celtic Studies
National University of Ireland, Galway
