

NUI Galway
OÉ Gaillimh

Engineering Building

The design of this building reflects not only the history of engineering but also stands as a testimony to the role of engineering in Ireland's future, creating an inspirational environment for learning and for nurturing the spirit of enquiry into the science and art of engineering.

ENGINEERS
IRELAND
EXCELLENCE
AWARDS

NUI Galway is proud to announce that our new Engineering Building has been shortlisted by Engineers Ireland as:
Engineering Project of the Year.

Please VOTE online
and help our building gain the
recognition it deserves.
