

WEEK 1

In Week 1 start thinking about...

WEEK 2

What **MODELS, FRAMES OF REFERENCE** and **TREATMENT APPROACHES** Are used in this Setting?

WEEK 3

From Week 2...

Discuss with your **educator** and explore the **literature** to see what assessments, interventions and outcome measures have **EVIDENCE** that they are effective with this client group in this setting.

WEEK 4

And why?

Week 3 is about the time to be allocated the person for the case study.

From your observations, discussions and readings, **PLAN THE OCCUPATIONAL THERAPY PROCESS** with the client.

WEEK 5

Your educator may not use the terminology for models etc. – Can you put a name to what they are doing?

In Weeks 3,4, 5,6 and 7 you will be implementing your plan and evaluating the outcomes with the client.

WEEK 6

WEEK 7

WEEK 8

In Week 7 or 8... plan to present your case study to the team.
