**Notes**

† Students who are certified to the University by the appropriate professional authority as having a serious hearing impairment are exempt from the ‘third language’ requirement, and are permitted to matriculate as follows. Irish or English and any other five subjects recognised for Matriculation registration purposes, provided College requirements are otherwise satisfied.

‡ Chemistry, Physics, Biology, Physics with Chemistry (joint) or Agricultural Science. For the School of Engineering, degree programmes, Technology is accepted as a Lab Science subject for Engineering courses GY401 to GY414. Computer Science is accepted as a Lab Science subject for courses in the College of Science and Engineering.

¤ The University holds an Engineering Maths Qualifying Examination in August each year for entry to the Engineering Programmes. Candidates who reach the appropriate standard are deemed to have satisfied the additional Honours Mathematics requirement.
