NUI GALWAY

A GUIDE FOR MALAYSIAN STUDENTS

www.nuigalway.ie/international
National University of Ireland Galway is one of Ireland’s oldest and most prestigious universities, with a distinguished record in teaching and research. For over 170 years, NUI Galway has been welcoming students and researchers from all over the world. Ideally located in the city of Galway, the university offers a broad range of internationally recognised programmes in a welcoming academic community.

OUR GLOBAL REPUTATION
NUI Galway now ranks in the top 1% of universities worldwide, according to the QS World University Rankings 2017 and is the only Irish university to maintain or improve its ranking in the two main international rankings over the last four years. NUI Galway also ranks in the top 250 in the Times Higher Education (THE) Rankings.

OUR LOCATION
The university campus is a 10 minute walk from the centre of Galway. Galway is Ireland’s third largest city, only 2 hours from Dublin, with everything you would want in terms of shopping facilities, theatres, restaurants, music venues, sports facilities.

Our university city is the most international city in Ireland with 22% of citizens born abroad. Galway casually combines the energy of a young and diverse population, with the authenticity of a place steeped in history and tradition. The city is also a cultural hub and has been designated the European Capital of Culture for 2020.

Ireland is one of the safest countries in the world according to the Global Peace Index and the Condé Nast Traveler magazine has also voted Galway among the top six friendliest cities in the world!

LINKS WITH INDUSTRY
Galway is one of five global hubs for biomedicine, with 9 of the top 10 global medtech firms based in Galway. The city is also an ICT hotspot, with Ireland being home to 8 of the top 10 global ICT companies. The multinationals in Galway include Medtronic, Boston Scientific, Merit Medical, SAP, Hewlett Packard, Cisco Systems, Avaya and EA Games. Galway’s Atlantic coast is also the perfect location for marine and energy research.

NUI GALWAY RESEARCH
NUI Galway is a world renowned research led University. Our research is relevant to societal and economic needs. Its global reach is enhanced by the impact research is having in key areas of strength including: Big Data, Biomedical Science, Health Promotion, Digital Humanities and Archives, Human Rights and Equality, Lifecourse, Med-tech, Sustainability and Human Rights.

MBSc (Earth and Ocean Sciences)  GY314
BSc (Biopharmaceutical Chemistry)  GY318
BSc (Mathematical Science)  GY319
BSc (Physics - degree options in Applied, Astrophysics, Biomedical, Theoretical)  GY320

"Medicine is always my passion since childhood. Being a doctor is actually one of the ways to contribute to the public. Honestly, NUI Galway is the only Irish university offered in twinning programme by my previous university in pre-clinical phase. However, I am always fond of pursuing my study in Ireland since Ireland is well-known with its medical course in my country. Hence, I chose NUI Galway over other universities for my twinning programme.

My first day was really great. I enjoyed my bridging course conducted by NUI Galway. I was well-oriented and made clear on my visions while studying in NUI Galway.

The emphasis on the theory is one important component that I love in NUI Galway. Having a strong foundation in pre-clinical phase is essential before starting the clinical years. Besides that, peaceful environment in Galway is one of the main traits that made Galway stand out from the others as the best place to study!

If I had to describe Irish culture in 3 words: they would be ‘unique’, ‘well-preserved’ and ‘proud’ and Galway in 3 words: peaceful, friendly and unpredictable!"

Nahiah Noor Azman, Medicine
INTERNATIONAL MERIT SCHOLARSHIPS
We will offer 4 partial tuition fee waivers to the value of €5,000 to students (specify for Indonesia and Malaysia).
We will also offer a range merit based scholarships in the form of partial tuition fee waivers valued at €2,000.
Please check our website for updates www.nuigalway.ie/international-students/feesfinance/internationalscholarships/

GRADUATE PERMIT SCHEME
The Graduate Permit Scheme allows non-EEA graduates of Irish higher education institutions to apply to remain in Ireland for the purpose of seeking employment and applying for a Green Card or Work Permit for two years after completing their postgraduate studies. The Irish Government has agreed to extend the Third Level Graduate Scheme, for non-EU/EEA students at level 9 and above of the National Framework of Qualifications. The new permission will double the 'stay back option' for masters and PhD students from 12 months to 24 months.

FEES AND FINANCE
When you are considering studying in another country it is important to understand all the costs involved. This means both the tuition fees and your day-to-day living costs. Budgeting is one of the key skills you will develop during your time at university and once you learn how to manage your money, you will be able to enjoy university life to the full.
For information on fees please refer to the website www.nuigalway.ie/fees

STAFF PROFILE
Professor Lokesh Joshi is the Vice President for Research at NUI Galway. Professor Joshi plays a key role in leading the research mission of the University and establishing our place among the top research led Universities globally. NUI Galway has a world class global community with partnerships with 2,792 research institutions worldwide. NUI Galway has a strong commitment to research, with annual research income in the region of €60million; and over 1,500 academic and research staff, and 1,200 postgraduate students research students. NUI Galway secured €64million in 2016.

NON EU FEES
Postgraduate Programmes
Business, Law and Arts programmes: €14,250
Engineering, Science and Medicine programmes: €14,750
A fee in the range of €14,750 to €15,500 applies to premium programmes.
Undergraduate Programmes
Business, Law and Arts programmes: €12,750 per annum
Engineering and Science: €13,750 per annum
Medicine applicants should refer to the School of Medicine for course information and details on how to apply.
All fees are subject to change. Please check the fees website for current information www.nuigalway.ie/fees

ACCOMMODATION
There are a variety of accommodation options to choose from at NUI Galway:
• University student residences (self-catering, off campus)
• Corrib Village and Gold Crest are the on campus student accommodation options
• Private rented accommodation (house/apartment)
• Self-catering accommodation with owner

Student Residences
There are a number of official Student Residences providing self-catering housing specifically for NUI Galway students that are within a 15-20 minutes walk from the main campus.
Each unit usually includes 2-3 bedrooms, a small kitchen area and a shared living space. Students therefore have the option of preparing their own meals in their own apartment, which can be cheaper than eating on campus.

Private Rented Accommodation
There is a wide range of properties available to students in Galway and staff in the Accommodation Office at the university will be able to help you find a suitable place to live.
For more information or to book please contact the Accommodation Office at www.nuigalway.ie/student-life/accommodation

COST OF LIVING IN GALWAY

Choosing to study medicine at NUI Galway means choosing a university which provides the best, most wholesome student experience. The pre-clinical years consist of an immaculate syllabus which complements the training received in the clinical years. The close partnership with University College Hospital Galway in training medical students is the cornerstone in moulding competent future medical undergraduates who can not only excel as doctors but also in medical research. With an exciting campus life to the very international nature of students from various courses and the academically stimulating lectures and tutorials delivered by well-trained doctors and professors alike, NUI Galway helps build life experiences, supports growth of character and prepares you for the real world application of your field of undergraduate study.”

Nitya Priya Palanivail, Malaysia, 4th year Medical Student

STUDENT LIFE

For Muslims there are three rooms where students can meet, greet and pray daily in the university. There are also Halal food options on campus and Halal Restaurants in Galway.
Applications to most postgraduate programmes at NUI Galway will assist you through the process. Applications will be open from the 1st of November.
