

## Allocation of DARE/HEAR Places

NUI, Galway has a quota of reduced point's places available to eligible DARE/HEAR applicants.

See table A. below for the list of DARE/HEAR places that are available on each course. If you are deemed eligible for the DARE/ HEAR schemes, you will be considered if

- You have a minimum of 300 points &
- You meet the matriculation requirements for the course.

For most courses, admissions is competitive as there are more eligible DARE/HEAR applicants than places available.

Places are allocated to eligible applicants in order of points merit and the reduction allowed is determined by the points required for the course: the higher the point's requirement for the course, the greater potential reduction, with a maximum reduction of 18%.

From 2016: priority will be given to applicants with physical and sensory disabilities and those who are both DARE and HEAR eligible. Any places remaining are assigned on points ranking.
