Course Overview

The BA degree in Drama, Theatre and Performance Studies is an exciting 4 year denominated programme developed for students with a keen interest in all aspects of drama and performance, including all forms of theatre practice. This world-class programme provides a unique opportunity to study drama, theatre and performance from a practical, theoretical and historical perspective.

You will explore all aspects of theatre, including acting, directing, playwriting, design and more. There are also specialised classes in such areas as Musical Theatre, Theatre for Children and Young Audiences, and Arts Management. Teaching on the programme will take a variety of forms, from lectures and seminars to practical workshops, performances and internships.

One of the most innovative features of the programme is its emphasis on putting learning into practice, through seminars in acting, design and directing, through workshops with professional theatre companies, and through the option of internships with arts organisations and professional placements in Year Three.

Course Name:	BA Drama, Theatre and Performance Studies
