Brief Project Description (max 200 words):

INFORMATION RELEASE AGREEMENT

QGIS School, in partnership with iCrag and NUIG, may want to publish your project on our websites or other marketing material. Sign the information release agreement if you give permission for this use of your work. This is not a requirement for you to receive your QGIS School Certificate. You may leave this section blank.

I, _____ (Student's Name), hereby grant QGIS School the legal copyright to the following work: _____ (Project Title).

QGIS School may therefore use the images and information to their discretion, and may reproduce in any size or quantity the work stated above.
