INTRODUCTION

Introduction

The *Higher Education Institutional Staff Profiles by Gender* collate gender disaggregated data from Irish higher education institutions (HEIs) that are in receipt of annual core-grant¹ funding from the HEA. These profiles provide information on key indicators which will contribute to the assessment of gender-equality in Irish HEIs. This publication offers a valuable baseline from which progress can be measured, and includes all grades of staff, in seven universities, three colleges and fourteen institutes of technology.

Governance and Management Structures

The gender of each president/or equivalent is listed.

The gender-balance on governing authority/body, academic council, and executive management teams is provided per HEI, and the sector summaries indicate the number of institutions that have a minimum 40% of each gender on these key decision-making bodies.

Staff

Staffing information collected includes:

- ▶ *Staff by category of post (academic core-funded staff, non-academic core-funded staff, research/specialist academic staff, research/specialist non-academic staff)*
- ▶ *Academic staff by discipline*
- ▶ *Academic staff by contract type*
- ▶ *Non-academic staff by contract type*
- ▶ *Non-academic staff by pay scale*

The data in these profiles is presented as whole time equivalent (WTE), or Headcount where appropriate.

Athena SWAN

The profiles also list Athena SWAN institutional and departmental awards won and applied for by HEIs. Athena SWAN awards are important indicators of progress towards gender equality.

¹ The core grant allocated to the universities, institutes of technology and other colleges by the HEA is voted by the Oireachtas under the OME C4 sub-head

* The WTE for part-time casual staff produced for the HEA staffing return is based on total cost for this category of staff and DCU systems currently are unable to produce corresponding gender data by Faculty/School – On this basis DCU is unable to provide part-time casual data.

** 'Other' includes any core funded posts which are not assigned to 'AHSSBL' or 'STEMM' faculties

*** There are inconsistencies in DCU's WTE positions recorded in the 'Staff by Category of Post' and 'Academic Core-Funded Staff by Contract Type'
