Important Notice for Past Students Returning to NUI Galway via CAO or PAC re: your old ID number

It is NUI Galway policy to retain your full student history under your **first or old NUI Galway ID Number** therefore you **SHOULD NOT** register under your newly assigned CAO or Postgrad Application number.

If you did not specify in your application that you are a past student you must now contact Admissions to get your ID numbers merged:

For undergraduate (CAO):

admissions@nuigalway.ie

For postgraduate:

postgradadmissions@nuigalway.ie

What are the implications if your numbers are not merged **before** you start your course?

It will affect:

- Your fees record
- You may lose NUI Galway emails post merge
- You will lose everything you have on Blackboard e.g. assignments, notes, results, blogs etc post merge
- You will need a new ID card
- No access to the Library
- It will cause confusion on course classlists, SU card, Socs and club etc
