

Research Starts Now: The NUI Galway Undergraduate Research Conference, Thursday 19th March 2015

Welcome Keynotes					10.00-11.00
"Welcome" Professor Lokesh Joshi, Vice President for Research					
"How to Conference" Undergraduate Student from Conference Steering Committee					
"Research Postgraduate Study at NUI Galway" Anna Marie Leonard, Graduate Studies Office and Cian Moran, Hardiman PhD Scholar with Dr. Maria Gallo					
"Research Skills for your Personal and Professional Development" Josephine Walsh, Career Development Centre					
Parallel Sessions					11.00-3.00
Lead Author FI	Last Name	College of	Title of Research	Table Number	Scheduled Time
Carmen	Kealy	Arts, Social Sciences, & Celt	The Importance of Play and Early Years	A-1	11.00-12.00
Hazel	Wolstenholme	Arts, Social Sciences, & Celt	The Role of Acculturation, Family Functioning and Health Self-Efficacy in Adolescents Living in Ireland	A-1	11.00-12.00
Linda	Spollen	Arts, Social Sciences, & Celt	Young adults' attitudes toward help seeking for emotional and personal problems'	A-1	11.00-12.00
Heidar	Al - Hashimi	Arts, Social Sciences, & Celt	Community Profile of Athlone Accommodation Centre at Lissywollen	A-2	11.00-12.00
Cillian	Moran	Arts, Social Sciences, & Celt	Historical Impacts of EU Constitutional Reform and Implications for EU law	A-2	11.00-12.00
Maria	Ni Fhlatharta	Business, Public Policy, & L	Questioning Constitutionally, the fifth amendment, disability and false confessions	A-2	11.00-12.00
Jessica	Lane	Medicine, Nursing, & Health	Role of the Nurse in the Prevention & Management of Neutropenia	A-3	11.00-12.00
Phoebe	McKenna	Arts, Social Sciences, & Celt	Social Cognition, Parental Relationships & Schizotypy	A-3	11.00-12.00
Eunice	Phillip	School of Nursing	Triage: Factors influencing its ability, accuracy of Decision Making and Reliability triage scale in the Emergency Department	A-3	11.00-12.00
Alina Madita	Wieczorek	Science	Feeding Patterns of the Lesser Spotted Dogfish (Scyliorhinus canicula) Inhabiting Inshore Nephrops norvegicus Fishing Grounds	A-4	11.00-12.00
Veasna	Sum-Coffey and	Science	Cloning fragments of Syndecan 2 to create an SDC2-Fc fusion peptide	A-4	11.00-12.00
Chris	Moran	Arts, Social Sciences, & Celt	Their Dark Materials: How the National Theatre's adaptation captured the essence of Philip Pullman's 'His Dark Materials'	A-5	11.00-12.00
Sarah	Carthy	Arts, Social Sciences, & Celt	"What they did was worse": Do advantageous comparisons influence our moral judgement when confronted with acts of violent extremism	A-5	11.00-12.00
Niall	McHugh	Arts, Social Sciences, & Celt	To what extent was the New Deal successful in overcoming the consequences of the Great Depression of 1929?	A-5	11.00-12.00
Kristine	Kenny	Education Department	Inviting global perspectives into the diverse Irish classroom: restraints of a Westernised curriculum at Junior Certificate level	B-1	12.00-1.00
Claire	Gibbons and Co	Medicine, Nursing, & Health	Assessing parental knowledge and attitudes towards HIV status disclosure in schools	B-1	12.00-1.00
Sinead	Gaffney	Education	The Home Economics teacher as leader within the school community: A reflection	B-2	12.00-1.00
Cormac	McGarry	Arts, Social Sciences, & Celt	All the Heroes Wear Black: Superhero Cinema in the Post-Millennial Age	B-2	12.00-1.00
Jason	Walsh	Business, Public Policy, & L	How to Understand Financial Markets	B-3	12.00-1.00
Andre	Alves	Engineering & Informatics	Contribution to research of concrete strength prediction by ultrasonic pulse velocity test: influence of cement consumption	B-3	12.00-1.00
Mark	Roche	Engineering & Informatics	Digital Control of a Magnetic Suspension System	B-4	12.00-1.00
Edel	Browne	Science	Free Feet: A device to reduce freezing of gait in Parkinson's disease	B-4	12.00-1.00
Nigel	da Silva Lima a	Engineering & Informatics	A Browser-based Activity Monitoring and Analysis Tool	B-5	12.00-1.00
Elaine	Higgins	Medicine, Nursing, & Health	Exploring the aesthetic font preference of adults with mild intellectual disability	B-5	12.00-1.00
Cáit	Ni Nialláin	Arts, Social Sciences, & Celt	The Distorted Male Gaze in a Growing Cyber Society	B-5	12.00-1.00
Lunch					1.00-2.00
Amy	Rossiter	Medicine, Nursing, & Health	An evaluation of the prevalence of childhood trauma in individuals attending an adult mental health service.	C-1	2.00-3.00
Katie	Fallon	Arts, Social Sciences, & Celt	The appropriate balance between justice and peace in conflict resolution efforts?	C-1	2.00-3.00
Fionn	Delahunty and	Arts, Social Sciences, & Celt	Report from a survey on technology usage among university students.	C-2	2.00-3.00
Evandro	Costa	Engineering & Informatics	Ferrocement hull: A Small Contribution for Shipbuilding in Riverside Communities	C-2	2.00-3.00
Morgane	Clarke	Science	Investigation of the Role of DNA Methylation in Regulating Toll-Like Receptor Activity	C-3	2.00-3.00
Jack	O'Meara	Engineering & Informatics	Fabrication of electro-spun poly (lactic-co-glycolic) acid scaffolds functionalised with dextran sulphate for tendon repair	C-3	2.00-3.00
Fionnuala	Nic Pháidín	Arts, Social Sciences, & Celt	The verbs of existence in Spanish and Irish: a comparative analysis of ser and is in predicate adjective constructions.	C-4	2.00-3.00
Jordan	Markey	Arts, Social Sciences, & Celt	Why were questions around language so important in Galicia in the period from 1867 to 1914?	C-4	2.00-3.00
Alison	Hughes	Science	Development of A Natural Marine Products Library	C-5	2.00-3.00
Peter	Houston	Medicine, Nursing, & Health	An in vitro model of heart valve disease: A pilot study	C-5	2.00-3.00
Closing Keynote					3.15-3.30
