Abstract

The abstract should be no longer than 300 words and should be submitted in Microsoft Word format (version 7.0 or earlier). The text should be Times New Roman, single spaced and font size 12. You may include a diagram (black and white) if you wish but please ensure title, authors and affiliations, text and diagram do not take up any more than a single side of an A4 page.

Excessively long or unreadable abstracts may be returned for re-submission. Please mark with an asterisk on the list of authors who will be giving the presentation and their status (Graduate student, lecturer etc).

An example format (if desired) could be:

Introduction

Materials and Methods

Results

Discussion and Conclusions
