

Poster Submissions

The Podiatric Biomechanics conference posters shall be on show in the foyer of Aras Moyola, poster boards will be available for the display.

The aim of the Poster Session is to provide a more informal opportunity for presenters to informally discuss their presentations with individuals and small groups of delegates. The poster is a visual presentation of information on projects, new initiatives and ongoing work. The poster can be a visual presentation in the form of diagrams, charts, images, text etc.

All posters must be in the theme of lower limb biomechanics.

The following guidelines may be helpful when you are preparing your poster presentation:

- A poster board will be provided for you as will push pins etc to mount your display.
- In order to fit the allotted boards, all posters should conform to portrait orientation.
- Poster Board dimensions = 1 m wide x 2.25 m high. It is recommended that a poster size of up to A0 portrait orientation (0.84 x 1.19 m) be used.
- Full use of colour, bold and larger typefaces is encouraged and all sections of the poster should be clearly legible from a distance of 2 meters.
- The use of illustrative material, photographs etc is recommended.
- The design should be thought out so as to give quick impact and attract immediate interest.
- Explanatory handouts can be useful to fill in more detail.

Posters should be submitted no later than 19th May 2009 to

Stephanie.haughey@nuigalway.ie
