

The Technology Transfer Initiative (TTI) in conjunction with BESTNet/Accel invites you to:

Title: Biomaterials Seminar

Date: 23rd August 2007

Content:

1. Introduction to Biomaterials
2. Cell-Biomaterial Interactions
3. Controlling Biological Interactions with Materials

Presenter: Dr. Michael Ball (Imperial College, London)

Venue: Science, Engineering & Technology Building, NUI Galway

Why attend: This is a highly informative seminar on Biomaterials and represents an excellent opportunity for you to meet with a vastly experienced expert in this field. There will be plenty of opportunity to interact with our speaker on specific aspects of interest to you.
