

The Technology Transfer Initiative (TTI) in conjunction with BESTNet/Accel invites you to:

Title: Computer System Validation

Date: 4th and 5th September 2007

Content:

1. Laws, Regulations and Guidelines for Computer System Validation.
2. Electronic Signatures and Records.
3. The Computer Validation Life Cycle.
4. Risk Assessment

Presenter: John Lafferty (SQT)

Venue: Westwood Hotel, Dangan, Galway

Why attend: This is targeted at personnel in the Pharmaceutical/Medical Device/Healthcare/Engineering sectors of industry who need to gain a solid foundation in the principles of Computer System Validation in a regulated environment. The main objectives of the course is to give attendees the basic principles in validating both computer hardware and software systems used in Manufacturing, QA and Regulatory control of processes and systems.
