

## The Technology Transfer Initiative (TTI) in conjunction with BESTNet/Accel invites you to:

Title: Supply Chain Management

Date: 17<sup>th</sup> October 2007

Content: 

1. Basic introduction on the concept of SCM
2. Why companies need to be aware of this concept
3. What research is being carried out in this area.
4. Workshop- work with the group to complete a “Requirements Engineering Document” for their business.

Presenter: Dr. Kathryn Cormican

Venue: Westwood Hotel, Dangan, Galway

Why attend: This is an excellent opportunity for staff members to gain a better understanding of the elements in supply chain management and the workshop gives participants the chance to go through their company’s strategy and identify areas of opportunity for improvement.
