Notes

† Students who are certified to the University by the appropriate professional authority as having a serious hearing impairment are exempt from the 'third language' requirement, and are permitted to matriculate as follows: Irish or English and any other five subjects recognised for Matriculation registration purposes, provided College requirements are otherwise satisfied.

‡ Chemistry, Physics, Biology, Physics with Chemistry (joint), Agricultural Science or Computer Science. Technology may be accepted as an alternative to a science subject.

» GY309 is an inter-college programme of the College of Arts, Social Sciences and Celtic Studies and the College of Science. The matriculation of either College may be applied, whichever is the more advantageous to the applicant.

☐ The University holds an Engineering Maths Qualifying Examination in August each year for entry to the Engineering Programmes. Candidates who reach the appropriate standard are deemed to have satisfied the additional Honours Mathematics requirement.
