2. Heating times in Research spaces will be reviewed based on activity but will follow the time schedules above.

3. Hot water will be enabled to run between 9.00am and 5.00pm daily, reduced hours at the weekend.

4. Temperature set points as advised by Government.

19 degrees for all offices, teaching spaces and laboratories.

17 degrees for toilets.

No heat will be turned on in corridors.

All air conditioning units except for Comms/Data centers will be turned off.

Humidity levels will be maintained in Laboratory spaces.

The heating is weather compensated by the Building Management System and therefore will be adjusted automatically.
