

OLLSCOIL NA GAILLIMHE  
UNIVERSITY OF GALWAY

# School of Nursing & Midwifery

## Attention all Midwives!

**ARE YOU...** Interested in undertaking a Professional Credit Award module of learning in  
**HIGH DEPENDENCY MATERNITY CARE**

The aim of this Professional Credit Award module is to improve midwives' acute care knowledge in the following subject areas:

Unit 1 – High dependency care in context

Unit 2 – Principles of haemodynamic and respiratory monitoring in the midwifery client

Unit 3 – Medical complications of pregnancy 1: Diabetic disorders; Haematological complications; Septic shock

Unit 4 – Medical complications of pregnancy 2: Cardiac disease; Hypertensive disorders; Liver disorders of pregnancy

Unit 5 – Professional issues in midwifery care

### Specific details

- Suited to midwives working in maternity services (public, private or voluntary) anywhere in Ireland.
- Module starts in **January 2024** and is delivered by e-learning and 3 workshop days at University of Galway over a 12 week period. Orientation day is 4<sup>th</sup> January 2024 ; workshop days are 8<sup>th</sup> February and 7<sup>th</sup> March 2024.
- Students may continue to work in their practice setting and apply their learning to practice, thus maximising the impact of the module on client care and service delivery.
- More information is available @ [Professional Credit Award](#). Online applications through [Postgraduate Applications System](#) following link to Adult Learning/CPD.
- Closing date for receipt of application and supporting documentation is the **31<sup>st</sup> October, 2023**. With queries please contact Mari Moran (Wed-Fri) Email: [mari.moran@universityofgalway.ie](mailto:mari.moran@universityofgalway.ie).
