

## 2MB Medicine SEMESTER 1 2021-22 (subject to changes)

|               | Monday | Tuesday        | Wednesday | Thursday   | Friday                        |
|---------------|--------|----------------|-----------|------------|-------------------------------|
| 9:00 - 10:00  |        | MD214<br>MD224 | MD202     | MD224 ANAT | MD202                         |
| 10:00 - 11:00 |        | MD202          |           | MD224 PHYS | (10:00am to 11:00am)<br>MD224 |
| 11:00 - 12:00 |        | MD202          |           |            |                               |
| 12:00 - 1:00  | MD202  | MD202          |           |            |                               |
| 1:00 - 2:00   | MD224  | MD202          | MD210     | MD224      |                               |
| 2:00 - 3:00   | MD206  | MD210          | MD210     | MD202      | MD214                         |
| 3:00 - 4:00   | MD214  | MD224          | MD224     | MD202      | MD206                         |
| 4:00 - 5:00   |        |                | MD202     | MD202      |                               |
| 5:00 - 6:00   |        |                | MD202     | MD202      |                               |

Please check individual modules for the weekly schedule uploaded by Module leads - A weekly timetable will be posted to BB each week, reflecting groups and any possible changes.

LABS/Workshops in RED all labs start in week 2

MD202 Please note that not all slots are for all students, you will be allocated groups and will be advised at the beginning of semester which groups will be attending which slots and at what time and in which venue

**Venues:** All lectures will be delivered in G019 - Large Lecture Theatre in HBB unless otherwise specified.

MD214 labs check details uploaded to Blackboard by Prof Kelly

All other lab details check the individual modules
