Equality, Diversity and Inclusion Strategy
2020-2025
We are moving to a new phase in implementation of gender equality, as the cornerstone of a transformative culture of equality, inclusion and respect in our university
I am delighted to write the foreword for this our first Equality, Diversity and Inclusion (EDI) strategy in NUI Galway! It is my privilege to lead both the Office of the Vice President for Equality and Diversity (OVPED) in NUI Galway and to have been charged with leading the EDI agenda at our University over the past 4 years. During this period we have seen a lot of fire-fighting particularly in the area of gender equality; but also significant progress, including the establishment of our EDI infrastructure, programme of work, and the embedding of EDI governance structures across the University.

We have achieved a lot in a short space of time, due to the tremendous energy and commitment of many colleagues working with the OVPED Team including members of the Athena SWAN institutional and departmental Self Assessment Teams, members of EDICC, EDIC and the Consent Framework Implementation Working Group. However there is a great deal for us yet to do across a number of EDI dimensions and grounds.

With the publication of our EDI strategy we are articulating the evolving and progressive EDI agenda in NUI Galway, and are setting out our road map for the next 5 years. We are moving to a new phase in implementation of gender equality, as the cornerstone of a transformative culture of equality, inclusion and respect in our university.

The Vice-Deans EDI have been key to the initial drafting of this strategy and also very important in ensuring widespread consultation and input into the strategy. Aoife Cooke, Head of Equal Opportunities, has ensured consistency and alignment with our new institutional strategic plan: Shared Vision Shaped by Values. To these key actors in particular, but to every colleague involved in our foundational journey to date, I wish to express my sincere thanks. To every member of the NUI Galway community I wish to extend a warm invitation to join with us on the next phase of our journey. An engaging and stimulating voyage, which will make our university community and beyond a better place, beckons!

Professor Anne Scott
Vice President for Equality and Diversity, NUI Galway.
NUI Galway recognises that our staff and students are our greatest asset and that the success of the university is dependent on a shared environment where we respect, value and actively support each other.

In particular, this EDI Strategy articulates our commitment and plans to enable an environment where different outlooks and experiences are visibly and openly valued. It builds on the University Strategy 2020-2025 which commits to social inclusion and providing a welcoming environment where everyone has a sense of belonging and can thrive.

Like all other Irish HEIs, NUI Galway has a statutory responsibility to ensure all staff and students are treated equally. This is enshrined in the Employment Equality Acts 1998-2018, the Equal Status Acts 2000-2018, the Disability Act 2005, and, most recently in the Irish Human Rights and Equality Commission Act 2014, which introduced the Public Sector Duty.

The Public Sector Duty places an explicit obligation on NUI Galway as a public body to eliminate discrimination, promote equality of opportunity and protect human rights in the delivery of our service and in our interactions with staff and students.

The Universities Act 1997 requires the university to promote gender balance and equality of opportunity among students and employees.

Notwithstanding our statutory obligation to comply with the relevant legislation, NUI Galway is absolutely committed to proactively putting in place initiatives, including policies and procedures which go beyond formal compliance to empower a culture of equality and inclusion for all members of our university community.

Research across a variety of domains and organisations has demonstrated positive effects of diversity including improved innovation, better performance, increased revenue or profitability and greater social responsivity or responsibility. It is well recognised that gender balance on executive boards is linked with increased performance of organisations, and international mobility and collaboration among research teams is linked to greater research impact.

In doing so, this strategy recognises the different lived experiences including challenges faced by individuals from a variety of diverse backgrounds and welcomes the richness that our diverse community brings to NUI Galway. Importantly, it further acknowledges that equality, diversity and inclusion is central to the pursuit of respect, openness, sustainability and excellence which are explicit values of our university.

“the success of the university is dependent on a shared environment where we respect, value and actively support each other”
Alignment with NUI Galway Strategy 2020-2025

This EDI strategy is closely aligned with the University Strategy 2020-2025 which is built on a foundation of core values that define NUI Galway’s purpose and priorities: respect, openness, sustainability and excellence. These values have emerged from consultation with our students, staff, alumni and public and they will guide us in everything we do. Over the coming years, these values will become the lived experience of our people and of those with whom we live, learn and collaborate. We will assert and communicate these values in our actions and words.

The EDI goals in this strategic plan will support the achievement of commitments and flagship actions identified by the university in Strategy 2020-2025.

We have added references throughout this document (e.g. AP05, CR11) and an appendix at the end to show how our goals will contribute to achieving specific priorities in the University’s strategic plan.
EDI Goals

Our key strategic aim is to enable, empower and embed a culture of equality, diversity and inclusion throughout NUI Galway which benefits the entire university community and which will ensure that NUI Galway can perform to its full potential.

The following goals will fulfil that mission:

1. **GOAL 1:** The contribution of all members of our university community is recognised and valued CR01

2. **GOAL 2:** All staff and students are actively supported according to their needs to achieve their full potential CR05, CR10, CP02

3. **GOAL 3:** NUI Galway will drive innovative EDI practices in the Higher Education Sector CP01, CE01

4. **GOAL 4:** Foster a campus culture which is welcoming, inclusive, safe and free from discrimination CP02, CR01

5. **GOAL 5:** Embed an equality perspective in the day-to-day working across all functions CR02

Equality, Diversity and Inclusion Strategy 2020
• Develop and promulgate a shared understanding of equality/equality of opportunity across campus.

• Embed compulsory EDI awareness training for all senior leaders and senior managers, line managers, interview and promotion panellists.

• Promote an EDI perspective in workload allocation practices for all staff.

• Using an intersectionality frame, gather and publish data systematically on the protected characteristics and socio-economic status (where possible) annually to establish an evidence base for activities, policies and practice.

• Implement equality impact assessment (EIA) across all policies and practices in NUI Galway to ensure design and review phases of policies and activities are inclusive and proactively promote inclusion and equality of opportunity.

• Embed equality awareness into teaching and learning in particular in undergraduate and postgraduate curricula.

• Develop guidelines for all areas of University activity to ensure the visibility and inclusion of under-represented groups.

We will build on the core values of NUI Galway and contribute to achieving the commitments and Flagship Actions referenced throughout the document and listed here:

Delivering on Shared Vision, Shaped by Values – Strategy 2020-2025

We will embed a culture of respect through the development and implementation of a Respect Charter, led at every level of the institution.

We will design and implement a skills programme to help build empathy, compassion and understanding in our campus community.

We will develop and implement a structured university-wide social responsibility programme to deliver measurable positive societal impact with our communities.

We will advance ideas that underpin respect for the dignity of all people through our teaching and research activities.

We will fulfil our 'Public Sector Equality and Human Rights Duty' across all of the University's functions and relationships.

We will maintain our Athena SWAN Bronze Award and aim to achieve institutional Silver-level accreditation to further advance diversity and equality in the University.

We will develop and implement a plan to significantly narrow the gender pay gap.

We will increase the diversity of leadership and university structures to represent the increasingly diverse composition of the NUI Galway community.

We will proactively remove barriers to equality and diversity in our University, recognising the individuality of our people's journeys.

Our research will inform attitudes and policy about diversity, with an emphasis on improving understanding and awareness of disadvantage and discrimination where it occurs.

We will embed a culture of empathy and respect in our university, including within our student experience.

We will build on the success of pilot projects in our student support services, we will mainstream programmes for mental, physical and social health and wellbeing.

The University is committed to the practice of maintaining and promoting decent, high standards of employment and fairness at work.

We will optimise secure direct employment on high quality terms, consistent with public policy, allied to transparent and equitable access to career development, progression and promotion.

The University further commits to family-friendly work practices in a manner that is mindful and accommodating in the interests of a healthy work/life balance.

Everyone working on NUI Galway campuses can expect to be enabled to do their best work in a positive and safe work environment, which is mindful of employees' physical, intellectual and wellbeing needs.

Employees are valued and will be treated with the highest standards of dignity and respect.

Straitéis Comhionannais, Éagsúlachta agus Cuimsithe 2020-2025
“Táimid ag dul ar aghaidh anois go céim nua i gcur i bhfeidhm an chomhionannais inscne, mar bhunchloch de chultúr claochlaitheach comhionannais, cuimsithe agus measa inár n-ollscoil.”
Tá an-áthas orm an réamhrá a scriobh don chéad straitéis Comhionannais, Éagsúlachta agus Cuimsithe (EDI) in OÉ Gaillimh! Tá sé de phribhléid agam Oífig an Leas-Uachtarán Comhionannais agus Éagsúlachta (OVPED) in OÉ Gaillimh a threorú agus a bheith freagrach as clár oibre EDI a threorú san Ollscoil le ceithre bliana anuas. Le linn na tréimhse seo tá go leor comhrac feicthe agaínn go háirithe i réimse an chomhionannais inscne; ach tá dul chun cinn suntasach feicthe agaínn freisin, lena n-áirítear bunús ár n-infreachtúir EDI, ár gclár oibre, agus struchtúir rialachais EDI a leabú ar fud na hOllscoile.

Tá go leor bainte amach agaínn in achar gearr, a bhuiocas d’fhuinneamh agus do thiomantas olmhór a lán comhghleacaithe atá ag obair leis an bhFoirne OVPED lena n-áirítear comhaltaí d’Fhoirne Féinmheasúnaíthe institúideacha agus rannacha Athena SWAN, comhaidte den EDCC, EDIC agus an Grúpa Oibre ar Chur i bhFeidhm an Chreata Toilithe. Ach tá go leor le déanamh agaínn fós i roinnt gnéithe agus réimsí EDI.

Le foilsíú ár straitéise EDI támid ag cur clár oibre forásach EDI in OÉ Gaillimh in iúl, agus támid ag leagan amach ár dtreo do na cúig bliana amach romhainn. Támid ag dul ar aghaidh anois go céim nua i gcúr i bhfeidhm an chomhionannais inscne, mar bhunchloch de chultúr claochlaitheach, cuimsithe agus measa inár n-ollscoil.

Bhí na Leas-Déin EDI lárnach i ndréachtaí tosaigh na straitéise seo agus bhí siad an-tábhachtach freisin maidir le comhairliúchán agus ionchur forleathan sa straitéise a chinntiú. Chinnigh Aoife Cooke, Ceannasai Comhdheiseanna, leanúnachas agus ailínneach agus ailínneach leagadh. Gabhaim buíochas ó chroí leis na príomhghníomhaiteach go háirithe, ach le gach comhghleacaithe a raibh baint acu lenár dturas tosaigh go dtí seo. Ba mhaith liom cuireadh ó chroí a thabhairt do gach duine de phobal OÉ Gaillimh a bheith linn ar an gcéad chéim eile dár dturas. Turas tarraingteach spreagúil, a fhágfaidh go mbeidh pobal na hollscoile agus an saol i gcoitinne níos fearr!

An tOllamh Anne Scott
An Leas-Uachtarán Comhionannais agus Éagsúlachta, OÉ Gaillimh
Aithnítear in OÉ Gaillimh gurb iad ár bhfoireann agus ár mic léinn an tsócmhainn is mó atá againn agus go bhfuil rath na hollscoile ag brath ar thimpeallacht chomhroinnte ina bhfuil meas agus luach againn ar a chéile agus ina dtugaimid tacaíocht dá chéile.

Cuireann an Straitéis EDI seo i láthair ár dtiomantas agus ár bpleananna chun timpeallacht a chruthú ina gcuirtear luach feiceáil ar léargais agus ar thaithí éagsúil. Cuireann sí le Straitéis na hOllscoile, 2020-2025 atá tiomanta do chuimsiú sóisialta, agus timpeallacht fháilteach a chur ar fáil ina mbraitheann gach duine muintearas agus inar féidir leo dul chun cinn a dhéanamh.

Ar an gcaoi sin, aithnítear sa straitéis éagsúla agus na dúshláin a bhíonn roimh dhaoine ó chúlraí éagsúla agus roimh an saibhreas a thugann ar bpobal éagsúil do OÉ Gaillimh. Anuas air sin, aithnítear go bhfuil comhionannas, éagsulacht agus cuimsíú lárnach chun meas, oscailteacht, inbhuanaitheacht agus sármhaitheas a shaothrú, luachanna atá follasach dár n-ollscoil.

Léiríonn taighde i réimsí agus in eagraíochtaí éagsúla dea-thionchar na héagsulachta lena n-áiritéar nuálaíocht agus feidhmíocht níos fearr, ioncam nó brabúsach mhéadaíthe agus freagracht nó freagrúlacht shóisialta níos mó. Aithnítear go maith go bhfuil nasc idir cothromaíocht inscne agus feidhmíocht níos fearr in eagraíochtaí, agus tá nasc idir soghluaisdealacht agus comhoibriú idirnáisiúnta i measc foirne taighde agus tionchar taighde níos mó.

Ach an oiread le gach institiúid ardoideachais eile in Éirinn, tá freagracht reachtúil ar OÉ Gaillimh a chinntiú go gcaithear go cothrom le gach comhalta foraine agus mac léinn. Tá sé seo cumhdhaithie sna hAchtanna um Chomhionannas Fostaíochta 1998-2018, na hAchtanna um Stádas Comhionann 2000-2018, an tAcht um Michumas 2005, agus an ceann is deireanaí, an tAcht fá Choimisiún na hEireann um Chearta an Duine agus Comhionannas 2014 a thug isteach Dualgas na hEarnála Poiblí.

Cuireann Dualgas na hEarnála Poiblí oibleagáid shonrach ar OÉ Gaillimh mar chomhlacht poiblí deireadh a chur le hiddirdhealú, comhionannas deiseanna a chur chun cinn agus cearta an duine a chosaint i seachadadh ár seirbhíse agus inár n-idirghníomhaíochtaí leis an bhfoireann agus le mic léinn.

D’eascair na luachanna seo as comhairliúchán lenár gcuid mac léinn, comhaltaí foirne, alumni agus an pobal agus treoróidh siad sinn i ngach a dhéanaimid.

Ach an oiread le gach institiúid ardoideachais eile in Éirinn, tá freagracht reachtúil ar OÉ Gaillimh a chinntiú go gcaitear go cothrom le gach comhalta foirne agus mac léinn.

Tá sé seo cumhdaithe sna hAchtanna um Chomhionannas Fostaíochta 1998-2018, na hAchtanna um Stádas Comhionann 2000-2018, an tAcht um Míchumas 2005, agus an ceann is deireanaí, an tAcht fá Choimisiún na hÉireann um Chearta an Duine agus Comhionannas 2014 a thug isteach Dualgas na hEarnála Poiblí.

Cuireann Dualgas na hEarnála Poiblí oibleagáid shonrach ar OÉ Gaillimh mar chomhlacht poiblí deireadh a chur le hiddirdhealú, comhionannas deiseanna a chur chun cinn agus cearta an duine a chosaint i seachadadh ár seirbhíse agus inár n-idirghníomhaíochtaí leis an bhfoireann agus le mic léinn.
