Live Q+A

Send us your questions, no matter how big or small, on our new Pubble App Monday to Friday. Simply follow the link and type in your question. One of our tutors will be on the other end to help you out over text or via video call.

1-on-1 Meetings

Not all issues can be solved over a few texts, so for those extra tricky problems we can schedule some 1-on-1 time over video call.

Ask your question in the Live Q+A as normal and one of our tutors will schedule a 20 minute meeting with you at the nearest convenience.

First come, first served, but of course you can always join us on the Live Q+As.

The Pubble App will remain open from 12:00—17:00 Monday to Thursday and 12:00-14:00 on Fridays. However, please note that our tutors are busy with 1-on-1 meetings as they occur and may not be able to answer your questions straight away.

Check NUIG website or ComputerDISC Facebook for up-to-date timetables of available tutors.

Feel free to contact us on Facebook if you have any queries regarding the operation of DISC Online.
