An introduction to Pragmatic Evaluation

OÉ Gaillimh
NUI Galway

Tuesday June 30th
Webinar 11am -12pm

Dr Paul Kelly, a Lecturer in Physical Activity for Health at the University of Edinburgh will facilitate this introductory webinar on Pragmatic Evaluation. Dr Kelly is based in the Physical Activity for Health Research Centre and is a co-founder of Pragmatic Evaluation, a group specialising in delivery of courses for researchers, practitioners & policy makers in pragmatic evaluation of physical activity and health promotion.
